Dear Harold, [3-29-67

PS- Just got Mrs. Weisberg's good note. Well, Harold, I agree with her! Thanks.]

Thank you for your good letter. I am sure a portion of WHITEWASH II will work fine for our issue - perhaps the epilogue, perhaps another and more specific area. I am not sure how...

Anyway, I will write you later and request to reprint what we specifically decide on.

LATITUDES #2 will come to you with my compliments soon. [It has work by Griscam Morgan & Shirley Martin in it.]

I know you are busy - Your work is first. [DO NOT ANSWER THIS.] My best to you for now~ Bob
